

National Human Genome Research Institute
Advancing human health through genomics research

New Directions for International Genomic Education

August 5, 2016

Facilitator: Donna Messersmith, PhD

Genomic Healthcare Branch

Division of Policy, Communications and Education

National Human Genome Research Institute, NIH

BEST PRACTICES

How can we learn from each other?

SYNERGIZE

How can we improve global genomics education by synergizing with each other?

Can we share resources?

INFRASTRUCTURE

What infrastructure is already in place for current international genomics education efforts?

FUNDING

How do we learn from each other to find ways to fund genomics education efforts?

NEW DIRECTIONS

What are next steps for new directions?
